

## **Matthews, Carter & Boyce Adds Sage Intacct Cloud ERP Software to its Portfolio**

*Firm Partners with Sage Intacct to Tap Into Growing Market for Cloud-based Financial Applications and Expand into New Vertical Industries*

Fairfax, VA February 18, 2021 -- Matthews, Carter & Boyce (MCB), a leading accounting firm in the Washington, DC metro area, is pleased to announce a new partnership with Sage Intacct, the customer satisfaction leader in cloud ERP software. As a Sage Intacct Partner, MCB will sell, implement, support, and develop enhancements for Intacct's award-winning cloud financial applications. MCB is aligning with Sage Intacct in response to increased demand for Software as a Service (SaaS) business solutions from prospects and clients.

"We selected Sage Intacct for its best-in-class functionality, and because it is the AICPA preferred provider of financial applications," said MCB Marketing & Practice Development Partner Kathleen Flaherty. "After considering our options, we felt it was the best fit for our niche industries, and we look forward to the benefits it will bring to our firm, our team and, most importantly, to our clients."

Sage Intacct delivers incredible value to users by empowering finance teams with deep functionality that automates even complex processes and surfaces the richest financial and operational insights to help companies grow. Sage Intacct also offers an easy path to extend the solution by seamlessly connecting with other best-in-class solutions business rely on, so that the entire organization can stay on the fast track to growth. Intacct focuses on delivering a solution that puts client success first, and that commitment has allowed it to earn the highest customer satisfaction in the industry.

MCB clients will also benefit from Sage Intacct's reporting and analytics capabilities. Sage Intacct's general ledger uses dimensions to capture the business context of transactions, operational measures, and budgets. As a result, companies can quickly create reports that analyze real-time business performance by business drivers without having to manage a chart of accounts with hundreds of segments. Sage Intacct's financial and operational dashboards convey the big picture at a glance and can be tailored to the specific needs of each stakeholder.

“We are pleased to welcome Matthews, Carter & Boyce to our program,” said Taylor Macdonald, SVP of Channel Sales at Sage Intacct. “Our solutions are well suited to the industry niches MCB serves, and we look forward to working together to ensure MCB clients benefit fully from the leading business-building solutions we will deliver.”
