

Looking out for you and your best interests is our top priority.

Building a long-lasting relationship with you means we understand the unique and complex financial issues government contractors face, in addition to the everyday business challenges of winning new contracts, securing financing and increasing profits. You benefit from more than 75 years of service to the government contracting community. As a one-stop shop, your unique requirements and need for the utmost compliance are adeptly handled by a versatile and experienced senior team who knows the industry inside and out. Services are tailored to your growth strategy and exit goals to improve profit margins, enhance indirect cost strategies, increase cost recovery and minimize tax consequences.

- Litigation support in the areas of claims, bid protests, and investigations

The MCB Experience

Your MCB advisors truly understand the financial complexities you face every day. That's why, as an MCB client, you will have a team of savvy strategists with expertise in personalizing our comprehensive offerings in accounting, tax, audit, due diligence and consulting services. Most importantly, you will have a dedicated Principal year over year who will guide you through tax planning, financial statement services and general business advice.

At MCB, you will receive the personal attention you deserve and accessibility to the most senior team members who are well-acquainted with the need to work discreetly and collaboratively on your behalf. We know you will be quite pleased with our sophisticated services, extraordinary client experience and exceptional results.

Since Government Contractors need to structure their operations for compliance with Federal Acquisition Regulations (FAR), Cost Accounting Standards (CAS) and the Defense Contract Audit Agency (DCAA), members of the MCB Government Contracting Practice are active in government contracting associations, keeping up to date with regulations and emerging trends to give our government contracting clients a competitive advantage.

Contact us today for your Government Contracting accounting, tax, financial reporting and compliance needs.
